

In re petition from Consumer Bankers Association (Docket # 02-278), regarding their exemption from Indiana's "No Call" telephone list:

I and my wife are strongly AGAINST any exemption for any purpose by the above bankers representative organization. It is not needed as they can still contact anyone on the no call list via their usual "junk mail" -- there is no need for them to be allowed to infringe on anyones dinner time, evenings at home, etc. with their incessant and unwanted phone calls.
